NON-FOOD VENDOR EVENT INFORMATION

Application Due No Later Than Friday, September 22, 2023

Delaware City is proud to host the community event known as “*Delaware City Day*” the first Saturday of October to introduce visitors to our community and promote our businesses and historic riverside location. Delaware City Day is a day long, **family friendly fall event** that encourages all ages to come together enjoying music, great food, a small-town parade, free children’s activities, as well as crafter and vendor sales.

NON FOOD VENDOR Regulations – Keep this information for your reference!

- The Delaware City Day is a family friendly event and for that reason the Delaware City Day Committee reserves the right to approve or refuse all vendor applications and items for sale.
- The event takes place at the foot of Clinton Street in adjacent Battery Park from 10:00am – 8:00pm, and outside of the Library at 5th and Canal Street from 11:00am – 6:00pm. Please indicate your preference on the application form.
- **Fees are due at the time of placing your application and are non-refundable unless your application is not confirmed. If your application is not confirmed for any reason, your check will be returned. Online payments are not possible, so send a check by mail or come to City Hall during normal business hours if you would like to drop off your application and pay by check or cash.**
- **Application:** All applications must include a list of items for sale, and complete and correct contact information. An applicant may not submit an application on behalf of another vendor or submit an application under an assumed name or address. Applications are accepted on a first come first serve basis.
- **SPACE IS LIMITED.** Vendors will be assigned spaces based on availability at the time an application and payment in full is received. An application is not complete without full payment. Once at full capacity, a wait list will be formed for replacements if another vendor withdraws from the event. If one area is full (Battery Park or the Children’s Area), the alternate location will be offered if available. If you do not accept the alternate location, your check will be returned.
- Vendors are encouraged to carry liability insurance.
- Duplicate retail brand vendors (e.g., Stampin’ Up, Color Street, etc.) will not be accepted. The first paid application received will be confirmed. Other retail vendors selling similar items may be accepted; there is no guarantee that you will be the only vendor of your type (example, jewelry, woodworking, clothing, etc.).
- **Booths:** There is no guarantee that you will be assigned the same booth location as in previous years, but all requests will be considered.

- **Retail Vendors and Crafters must submit at least 1 photo with the application, showing representative samples of their work to be considered for admission and/or of their booth set-up.**
- **Power/Water/Booth Supplies:** Participants are responsible for all power sources, power cords, cord protection, tables, tents, signage, etc. necessary for the successful operation of their business in the park setting. No electricity will be provided.
- **Location:** Delaware City is a waterfront town, and it can be very windy in Battery Park which is located along the Delaware River. Please bring any needed supplies to secure your tent (booths will be located on the grass) and items for sale. If you have lightweight items such as jewelry, you may want to consider choosing the Library location which is along the Branch Canal but a bit inland from the river, however, all of Delaware City can experience windy conditions.
- **Signage:** Vendors must post signs listing items for sale and their prices.
- **Check-in:**
 - **Battery Park:** All vendors are required to check in with the Vendor Coordinator before gaining access to your reserved location on Saturday between 7:00-9:30am. Check-in location will be designated in the confirmation letter.
